A. Welcome and Introductions

Nicole Snyder welcomed the SCA Advisory Board member and guest.

The following topics were discussed:

- The Executive Director's position for the Lancaster County Drug and Alcohol Commission will hopefully be posted soon.
- LCDAC continues to run as usual. There has been no disruption of day-to-day operations since the retirement of Rick Kastner.
- LCDAC received DDAPs five-year contract. LCDAC is working on the provider network contracts for the January 1, 2026, to June 30, 2026, period.
- RASE was having financial issues and closed December 31, 2025. DSAA took over the Door to Door program through the prison. Blueprints took over the Warm Hand Off program. There is a group that is interested in purchasing RASE's building and providing the same type of services as RASE.
- Blueprints has opened a drop-in center, located on the 300 block of North Queen Street.
- Nuestra Clinica closed their rehab, outpatient and halfway house facilities. They are looking for a partner to help re-open and keep serving the Latino population.

The topics above will be reviewed again at the March Meeting since only one board member was present.
